

Wall of Hope 2020

What a wonderful feeling knowing you are literally building blessings, scripture, and prayer into the walls of a family's home!

Tacoma/Pierce County Habitat for Humanity is a non-profit Christian housing ministry that dedicates one house each year as the **Building on Faith** house. Since 2015, the Building on Faith house has been home to the **Wall of Hope**.

With **Wall of Hope**, congregations are invited to write messages of congratulations and well wishes on the 2x6 studs that frame the Building on Faith home. Faith partners who donate \$750 or more have the option to receive a 2x6 delivered to them in early February and are then invited to help assemble and raise the Wall of Hope in the Building on Faith home later in the year.

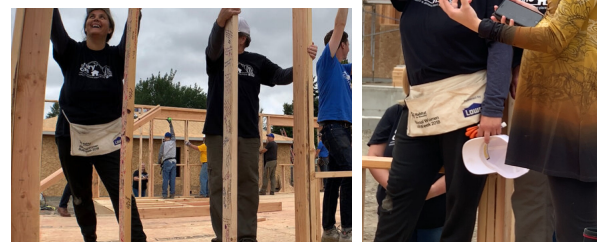

2019 Wall of Hope faith partners: Christ Episcopal Church | One Hope Church | Our Savior Lutheran Church | Rainier View Christian Church | St. Andrew's Episcopal Church | St. Mark's Lutheran Church by the Narrows | Trinity Lutheran Church | University Place Presbyterian Church
