

Building on Faith

"Building on Faith is an understanding that Christian faith demands we do more than talk about faith, we must put faith and love into action - coming together to help build a home for a family in need as an expression of God's love." ~ Millard Fuller, founder of Habitat for Humanity

Wall of Hope - Churches who donate **\$750 or more annually** qualify for Wall of Hope. Invite your members to write messages of congratulations and well wishes on a 2x6 stud, then join Habitat for Humanity in assembling and raising the individual studs as the first walls in the Building on Faith home.

Building on Faith build days - As conditions permit, churches will be invited to participate in Building on Faith build days, reserving space for a small number of members to help construct the Building on Faith home.

yes, we will support Building on Faith in 2021!

Building on Faith would not be possible without the generous support of our church partners. Your gift to Habitat helps us continue providing a hand-up to Pierce County families who seek stability and self-reliance through homeownership. Thank you!

church / org name (as it should appear in print): _____

address: _____ city, state, zip: _____
