

Team Habitat FAQ

Team Habitat is the most popular way groups engage in volunteering with Tacoma/Pierce County Habitat for Humanity. The following are a sample of the most common questions and the associated answers about this program.

What is included in a Team Habitat build day?

- Priority scheduling for your group and a guaranteed build date on our busy construction calendar.
- Team Habitat t-shirts for all of your registered volunteers.
- Lunch on the build site provided for your group.
- Photos of your group's day with Habitat.
- Recognition on our social media platforms.
- Invitations to the home dedication ceremonies in the neighborhood in which you volunteer.

What is the commitment?

Team Habitat participants commit to one full volunteer day (8:30am-3:30pm) on a Habitat build site. Groups are scheduled Wednesday - Saturday, year-round.

Team Habitat groups are asked to make a financial contribution. Please email or call for current rates.

How do we schedule a Team Habitat day?

Dates are booked at least two weeks in advance for a weekday build (Wed.-Fri.) and at least one month in advance for a Saturday build. To schedule your Team Habitat day, email volunteer@tpc-habitat.org or call 253-627-5626 x 104.

Team Habitat FAQ continued

What if our group cannot make a financial commitment? Can we still volunteer?

We will make every effort to accommodate groups who are unable to make a financial contribution but priority is given to groups that financially sponsor their day on site.

While we will add non-paying groups to the volunteer calendar, please note that your group may be bumped with two weeks notice if a sponsoring group needs to be accommodated.

Saturdays and summer weekdays are the most popular times for group builds; take that into consideration when attempting to schedule a non-sponsored day.
