

Tacoma/Pierce County

**Habitat**  
for Humanity®

**everyone**

deserves a decent place to live

## Team Habitat

Team Habitat combines your organization's volunteer hours with a tax-deductible donation. Over two dozen groups participate in Team Habitat days on Tacoma/Pierce County Habitat for Humanity construction sites each year.

Team Habitat is our most popular group volunteer opportunity. Volunteers often tell us their company's Team Habitat day is their favorite corporate event of the year. Nearly all Team Habitat groups return annually and some schedule multiple dates.

*"We had a great time and everyone said they wanted to come back. We will definitely be out again soon!" ~ Stuart, BCRA; Team Habitat participants since 2013*

## what's included in a Team Habitat day?

Team Habitat guarantees your group's build date on our busy construction calendar and gives you the opportunity to schedule up to 9 months in advance. Other benefits of Team Habitat include:

- Habitat for Humanity t-shirts and lunches for all volunteers
- individual and group photos of your build day
- social media shout-outs
- invitations to home dedication ceremonies in the neighborhood in which you work

## the basics

- Team Habitat days can be scheduled **Weds, Thurs, Fri, or Sat**
- Hours are **8:30am-3:30pm**. We prefer that you schedule a full day shift and limit your group to 10 people. Occasionally exceptions can be made to accommodate larger groups. Please confirm with us at [volunteer@tpc-habitat.org](mailto:volunteer@tpc-habitat.org).
- All volunteers must be at least 16 years old and pass a Washington State background check. Habitat will run a background check after the volunteer signs up on line.

To request current Team Habitat rates, please contact [volunteer@tpc-habitat.org](mailto:volunteer@tpc-habitat.org) | 253-627-5626 x 104.

## what if we cannot make a financial contribution?

We understand that not all groups are able to contribute financially. You are welcome to schedule near term (within 14 days) outside of Team Habitat if there is availability.

## how to schedule

Plan ahead (at least one month for weekdays and two to three months for Saturdays). The calendar fills very quickly for Saturdays and in warmer months. Contact [volunteer@tpc-habitat.org](mailto:volunteer@tpc-habitat.org) | 253-627-5626 x 104 when you have a date in mind that you would like to reserve. Once your date is confirmed we will send you a link that you can use to invite the rest of your team to register.

*"It felt good to get together as a team. We had such a great day and felt completely safe. The Habitat crew is awesome." ~ Valerie, Coldwell Banker Danforth; Team Habitat participants since 2012*
