

inspired women inspire

a market-style event celebrating the achievements of women

Friday, May 9

5-8pm

STAR Center, Tacoma

Tacoma/Pierce County Habitat for Humanity kicks off **Women Build 2025** with an empowering market-style event celebrating the achievements of women. Join us for an evening of inspiration, shopping and fun as we connect local organizations, businesses and individuals who share a commitment to community, equal opportunity and inclusion for all female-identifying people.

celebrate & connect

Enjoy delicious snacks and beverages, connect with local organizations centering on women's experiences, and **shop from local artists and vendors**. Whether you are seeking advice, mentorship or simply want to spend an evening shopping alongside a community of like-minded women, this **free event** open to the public is not to be missed!

community resources

Hear from inspirational female speakers and visit with local organizations on hand to share resources that uplift women in their personal and professional lives. From affordable homeownership opportunities to careers in traditionally male-centered trades, we're excited to open conversations and explore new paths for women's success.

giving circles: building the future

May 9 will also launch our Giving Circles, a communal fundraising initiative to ensure Tacoma/Pierce County Habitat for Humanity is able to offer ongoing monthly Women Build construction days open to *all* female-identifying people who want to learn construction skills in a safe and supportive space. Together we will achieve our eventual goal - an annual **House that Women Built!**
